

Voter Registration Notice

Messenger College encourages and promotes students to fulfill their civic responsibilities by voting on Election Day.

Voter Registration in the State of Texas

Students enrolled at the Texas Main Campus may access the voter registration application form in the state of Texas online here. <http://www.votetexas.gov/register-to-vote/>

Out of state students may be eligible to request an absentee ballot from their home state, or you may be eligible to register in the State of Texas using your on campus address. The voter registration deadline is 30 days before election day in the State of Texas.

Voter Registration in the State of California

Students enrolled and residing at the California Teaching Site can access the State of California voter registration information and application on their website here: <http://www.dmv.org/ca-california/voter-registration.php>

Voter Registration for Online Learning Students

Distance education students (online learners) should access their state of residence voter registration applications. You can access your state's voter registration page by using the following directory resource online here: <https://www.usvotefoundation.org/vote/sviddomestic.htm>

Questions??
